

33**MIĘDZYNARODOWE ENERGETYCZNE TARGI BIELSKIE**
Bielsko-Biała INTERNATIONAL POWER INDUSTRY FAIR**ENERGETAB® 2020****15 - 17 września/September****PROGRAMME OF THE FAIR****15th September 2020** (1st day) - TuesdayExhibition opening hours: **9:00 a.m. - 5:00 p.m.**

- 10:00 – 15:00 the demonstrations of charging stations and electric cars
(Electromobility Zone)
- 10:00 - 14:00 the shows of electrical technologies:
- demonstration of exothermic connections in lightning protection systems,
- demonstration of the assembly of the pole for the construction of a 110 kV temporary line in the UMKW technology by ARINET
(Practical Demonstration Zone - SPP)
- 11:00 - 11:30 the opening ceremony of the Fair
(hall. A – ground floor)
- 11:00 – 13:00 SONEL's lecture and demonstration workshop on "Overview of the MPI-540 multifunction meter and the measurements of vehicle charging stations using the EVSE-1 adapter"
(ZIAD's pav. No 3 - ground floor)
- 13:30 – 15:30 SONEL's lecture and measurement workshop on "Techniques for testing grounding resistance using the rising edge method"
(ZIAD's pav. No 3 - ground floor)

16th September 2020 (2nd day) - WednesdayExhibition opening hours: **9:00 a.m. - 5:00 p.m.**

- 10:00 – 15:00 the demonstrations of charging stations and electric cars
(Electromobility Zone)
- 10:00 - 14:00 the shows of electrical technologies:
- demonstration of exothermic connections in lightning protection systems,
- demonstration of the assembly of the pole for the construction of a 110 kV temporary line in the UMKW technology by ARINET
(Practical Demonstration Zone - SPP)
- 10:00 – 12:00 SONEL's lecture and demonstration workshop on "Overview of the MPI-540 multifunction meter and the measurements of vehicle charging stations using the EVSE-1 adapter"
(ZIAD's pav.No 3 - ground floor)
- 12:30 – 14:00 SONEL's lecture and measurement workshop on "Measurements of power tools and welding devices using the PAT-86 meter" - records at sonel.pl
(ZIAD's pav.No 3 - ground floor)

17th September 2020 (3rd day) - ThursdayExhibition opening hours: **9:00 a.m. - 3:00 p.m.**

- 10:00 – 13:00 demonstrations of charging stations and electric cars
(Electromobility Zone)
- 10:00 - 14:00 the shows of electrical technologies
(Practical Demonstration Zone - SPP)
- 15:00 - **closing of the Fair**
